Academic Profile

K.L.N college of Engineering

B.E EEE || 2021-2025

CGPA-8.37 [Upto 7th Semester]

P.N.U.A.P.T.Dorairaj Hr Sec School

HSC || Computer Science || 2020-2021

Score : 85.6%

SSLC || 2018-2019

Score : 81.8%

Personality Traits

- Team Collaboration
- Rapidly Adoptable

Areas Of Interest

- Electrical Machines-Transformer
- HTML / CSS

Hobbies

- Skipping
- Home Workouts

Skills

- HTML
- CSS
- Mysql
- JAVA
- MS Excel
- AutoCAD in Electrical

Soft Skills

- Data Entry Job - 2 years Experience in Amazon M turk
- Typist junior grade with distinction-English
- Hindi Class Completion(First 2 classes)

Language Known

- Sourashtra
- Tamil
- English

Career Objective

To leverage my skills and experience in your Field to contribute effectively to a dynamic team and help achieve organizational goals while continuously growing professionally.

Projects

- **Smart Automated EV Charging with Prepaid Access System** — **FINAL Year**

  Focused on developing a user-friendly EV charging system with prepaid access, RFID verification, and renewable energy prioritization

- **Smart and Advanced Enabling Technology Based EV Charging System using RFID** — **Third Year**

  It Integrates Solar & Wind power to provide sustainable energy for EV Charging. It ensures eco-friendly charging with real-time monitoring

- **Train Compartment Seat Detector** — **Second Year**

  To Identify Seat occupancy in Train Compartments. It improves passenger convenience by providing seat availability information.

- **Automatic Water Level Controller** — **First Year**

  It monitors and manage water levels, automatically controlling pumps to maintain optimal levels. It prevents water overflow or shortage.

Certificates and Courses

- Bagged Second Price in Third Year Project Contest held at KLNCE — **May-2023**
- Successfully completed in JAVA course by SSI Education Center — **Nov-2023**
- Certification in MS Windows,MS Office & HTML from CCI Education institution — **Apr-2018**
- Certified in Excel from Great learning — **Mar-2024**
- Introduction to Internet of Things-NPTEL — **Apr-2023**
- Successfully completed in Electrical-CAD by HI-TECH Training Academy — **Sept-2024**
- Value Added Courses - Embedded System — **Jan-2024**

Co-Curricular Activities

- I have attended 6 days inplant training at "TVS SENSING SOLUTIONS PRIVATE LIMITED" in Madurai during Second Year. — **Jan-2023**
- I have attended 5 days inplant training at "SHRI VISHNU ENGINEERING" in Madurai during Third Year. — **june-2023**
